

THE REAL DEAL

April 2008

CONDOS IN THE COUNTRY *Big new development projects around New York City*

Butler, NJ

River Place

307 Main Street

More than 50 percent of the 68-unit project, developed by Heartstone Developments and Roger Mumford, was sold as of late February. The development has two-bedroom townhomes ranging in size from 1,442 to 2,036 square feet. Prices start at \$300,000. Mary Cook & Associates is the interior designer of the homes, which are available for immediate occupancy. Contact: www.riverplacebutler.com.
